SUMMARY

Detail-oriented Data Analyst with a Computer Engineering background and hands-on experience turning raw operational data into interactive Dashboards to track KPIs (Excel and Power BI). Skilled in Pivot Tables, VBA automation, and data validation, with a track record of streamlining reporting workflows and improving data accuracy for compliance-driven teams.

SKILLS

Technical: Microsoft Excel (Pivot Tables, VLOOKUP/XLOOKUP, VBA Macros), Power BI, MySQL (Basic Queries, Data Retrieval), Data Cleaning, Data Validation & Reporting, Dashboard Design, Google Sheet, CRM Software (HubSpot and Salesforce)

Soft Skills: Attention to Detail, Problem Solving, Time Management, Disciplined, Trustworthy and Resourceful

WORK EXPERIENCE

Data Protection Analyst

June 2026 – August 2026

- Built interactive dashboards using Power Query, PivotTables, Charts, and Excel VBA macros to automate recurring data analysis, cutting manual reporting time and surfacing trends for business decision-making.

Technical Support Engineer / Technical Analyst

July 2025 – April 2026

- Analyzed and validated test worksheets for compliance with Philippine National Standards (PNS) while monitoring and maintaining company computer systems, including software updates.
- Led implementation of an Electronic Management System (EMS) for document control and built an Excel-based Client Database with Pivot Tables and dashboards for automated reporting and visualization.

PROJECTS

Ecommerce Sales Data Analytic Dashboard System – (Microsoft Excel)

- Developed an E-Commerce Sales Analytics Dashboard using Microsoft Excel, PivotTables, and PivotCharts to analyze sales performance, revenue, orders, product trends, and top-performing categories, providing clear insights for data-driven decision-making.

Retail Sales Analytics Dashboard - (Power BI)

- Built an interactive Power BI dashboard to analyze retail sales, profitability, and customer trends across regions and product categories, leveraging DAX measures for year-over-year growth, profit margin, and discount impact analysis to identify underperforming segments and inform data-driven pricing strategies.

EDUCATION

Bachelor of Science in Computer Engineering

2021 – 2025

Bestlink College of the Philippines

CERTIFICATIONS & TRAINING

- Google Data Analytics Certificate - (Coursera)
- Cisco CCNA 200-301 – Complete Guide to Getting Certified - Udemy
- Networking Basics - Tesda
- Network Addressing and Basic Troubleshooting and Cisco Networking Academy – Cisco Academy
